Mothers in today's world wear many hats and struggle to keep the stress in their lives at manageable levels. While trying to maintain life as they knew it before their daughters' big announcements, mothers are called upon to magically morph into wedding planners, help their daughters navigate the journey to the altar, and establish new and loving relationships with their prospective sons-in-law and their families. With all focus dedicated to the brides and the weddings themselves, the needs of mothers of the bride are overlooked.

*Mother of the Bride* will help mothers step away from the hurried pace of daily life complicated by a demanding new role. It will offer them the refreshment found in discovering community as they take time for themselves – time to be encouraged, to gain helpful insight and practical tips, and to enjoy the feminine beauty of a book designed just for them.

Through essays featuring relevant quotes or Scriptures, personal stories, nuggets of wisdom, simple suggestions for personal pampering, journaling opportunities, communication aids, and practical tips for wedding planning, *Mother of the Bride* will nurture the all-important but too often neglected mother of the bride.

### WHAT DOES GOD LOOK LIKE?

Welcome to southeast Michigan and the small town of Carlson where faith, hope, and struggle are defined by the different faces of those who live there.

An addict that sits at a bar to forget.

A mother whose five-year-old boy has leukemia.

Two doctors. An atheist haunted by his past and a brilliant young oncologist that places all her hope in the power of modern medicine.

A blind pastor whose son hasn't spoken a single word in thirty-eight years.

But the minister sees by faith. He knows there are answers and believes that someone who cares is watching—someone with a greater purpose. Yet there is something he doesn't know ... that none of them know.

In the midst of the ordinary and the devastating, there is a reason these lives will be changed forever.

Lightning is about to strike.

The Reason opens with a thunderbolt and never lets up as it introduces us to everyday characters who are wrestling with questions: Where is God when bad things happen? Does God ignore the prayers of the faithful? The answer each character receives will astound readers while offering an unforgettable call to hope, to change, and to believe.

Scripture encourages adults to take an active role in discipling children, in making them students of Christ. Moms and dads, grandparents, and mentors are on the front line of helping the youngest to understand and trust God's Word.

In *Point Me to Jesus*, author Tara McClary Reeves equips grown-ups with 365 quick lessons to be shared with their children. Each day begins with a key verse from the Bible. Reeves then uses stories and insights to help build a Christian worldview around the topics of who Jesus is, why He came, how He lived, how He wants us to live and share His love with others, and more. Every reading concludes with a question for reflection and discussion.

Psalm 127:3 declares that children are a reward from the Lord. Steward these treasures from heaven as you grow together in God's Word and in passionate, obedient love for Jesus

What happens when your husband dies unexpectedly in the prime of your life and marriage?

In *Widow's Might*, Kim Knight shares when her husband suddenly and unexpectedly died at fifty-six years old. You can deeply embrace and honor your marriage to your late spouse and still find contentment, happiness, and maybe even love in days ahead.

*Widow's Might* will give you the strength and wisdom to discover new life on the other side of death. Look toward what God has in store for you. And—every once in a while—spend the day in your pajamas and eat popcorn for dinner. It's okay.

If you are searching for true freedom—from sin, from shame and guilt, from death itself—then look no further than Galatians! In it we find the revelation—truth of God’s “grace gospel,” which proclaims heaven’s freedom for every believer—freedom to soar higher than religious laws and freedom that places us at the right hand of God’s throne as his treasured sons and daughters.

We’ve designed this study to help you explore and discover God’s heart by living in the surrendered freedom of yielding to the Holy Spirit. What if God stepped into the noise of your life and invited you into what seems like a completely impossible undertaking, given the limited resources you have? Would you be willing to say yes?

*Building Hope* is a first person account of Dan Wallrath, a self-described “average Joe” who was preparing to retire when he felt an undeniable pull to help a specific group of heroes, providing them with mortgage-free custom-built homes. Dan shares the God-orchestrated events that led him to start Operation Finally Home (OFH) and gripping stories of new beginnings amidst physical, mental, and financial hardships that war-wounded soldiers and their families face once home from war.

With even a small amount of faith, you too can see God work in a mighty way as you seek to serve someone in need. God wants you to say yes—and then stretch out in faith with your unique talents and resources to further his kingdom and build hope around you today.

## BURDENS to Blessings

Kim Crabill

Soft touch matte lam and spot UV cover treatment

From the time Kim Crabill experienced a life-altering trauma at age four, she became an expert in hiding her hurt and confusion behind a mask. The trick, she discovered, was to sing a little louder in choir, study a little harder at school, and smile a little wider with friends. Then no one would notice how damaged her heart was.

Kim became a classic overachiever academically and socially. As an adult, she could even speak before crowds with her mask fully intact. But she could not hide from the pain of her past, and pain that expressed itself through anorexia and diet pill addiction, loneliness, depression, and anxiety attacks.

In her transparent story, *Burdens to Blessings*, Kim invites you along her journey from shame and sadness toward healing and hope. In the process you'll encounter the upside-down truth that God uses you because of your hurt and uncertainty. The very things you regret the most—the things you hope no one ever discovers about you—are what God wants to use to enrich your life and the lives of others around you.

Discover the confidence and courage to quit hiding and show your true self to God and others. Then watch out, because you'll be showered with opportunities beyond your wildest dreams to help other hurting people change their burdens to blessings.

There's an identity crisis among Christian teens. They don't know who they are in Christ. They don't fully understand that their heavenly father actually owns the palace. If they did, they would understand their position. They wouldn't be living in spiritual poverty.

Helping young believers see themselves as sons and daughters of the most high God through Jesus Christ is the greatest gift we can bestow upon this generation. It's the only way to end the identity crisis.

This three-week experience brings young people and a spiritual mentor of their choice into a 21-day prayer partnership that changes lives and entire churches.

Young people will walk away understanding that God really believes in them; they matter to his plan. They will finally learn what it means to belong, so they no longer have to fake it or try to fit into this world. And they will gain the confidence to experiment with their faith, risk failure, and become who God designed them to be from the very beginning of time.

Break the bondage of low expectations that trap this generation in their spiritual identity crisis.

Young people aren't ashamed of their faith in Jesus. They're just scared to share it with others because the approaches they've learned to "evangelize" feel forced and unnatural.

Tell21 takes the fear out of telling others about Jesus. It makes sharing your faith about simply sharing the story of how Christ has become the hero of your heart and the Lord of your life. This three-week experience will give young believers confidence in their Christian life.

They'll discover their place in God's plot, and see their significance in his bigger plan. In just 21 days, readers will develop daily habits of prayer, care, and share that will become a lifestyle God's uses to changes the lives of others.

The Bible tells Christians not to grieve as the world grieves and to rejoice in their sufferings. Yet when author Kevin Ott lost his mother unexpectedly in 2010, he sank into a wintry depression.

When life seemed the darkest, something surprising happened. While exploring eighteen C. S. Lewis books and thirteen U2 albums, he experienced tremendous “stabs of joy”—the unusual heaven-birther joy that Lewis wrote about—in the midst of grief. This revelation not only pulled Kevin out of depression, it forever changed the way he experienced the love and joy of Christ.

In *Shadowlands* and *Songs of Light*, you will:

- Learn fascinating details about C. S. Lewis, discover his unique definition of joy, understand how to apply his revelations about joy to suffering, and learn to recognize and cooperate with God’s strategic use of joy.
- Enjoy a grand tour of U2’s discography, with a special emphasis on their exploration of joy and suffering.
- Clearly understand, from the perspective of music theory explained in common terms, why the music of U2 is so emotionally powerful and how it serves as a perfect analogy for Lewis’s concepts of joy and the Christian ability to rejoice in suffering.
- Find inspiration from the personal stories of U2, especially the tragedies that engulfed their youth in Dublin, and see how they worked through that grief and discovered a joy that has kept the band together for over thirty-five years.

When the out-of-control nature of the world and your weaknesses throw you off-balance, you can experience God’s grandeur and joy—discovering heaven’s perspective until it becomes your instinctive, default vantage point every day.

Is God angry and aggressive, interested only in punishing people? Or is he a genie who will do what you want if you believe in him enough? How does God view you and what does he want you to do?

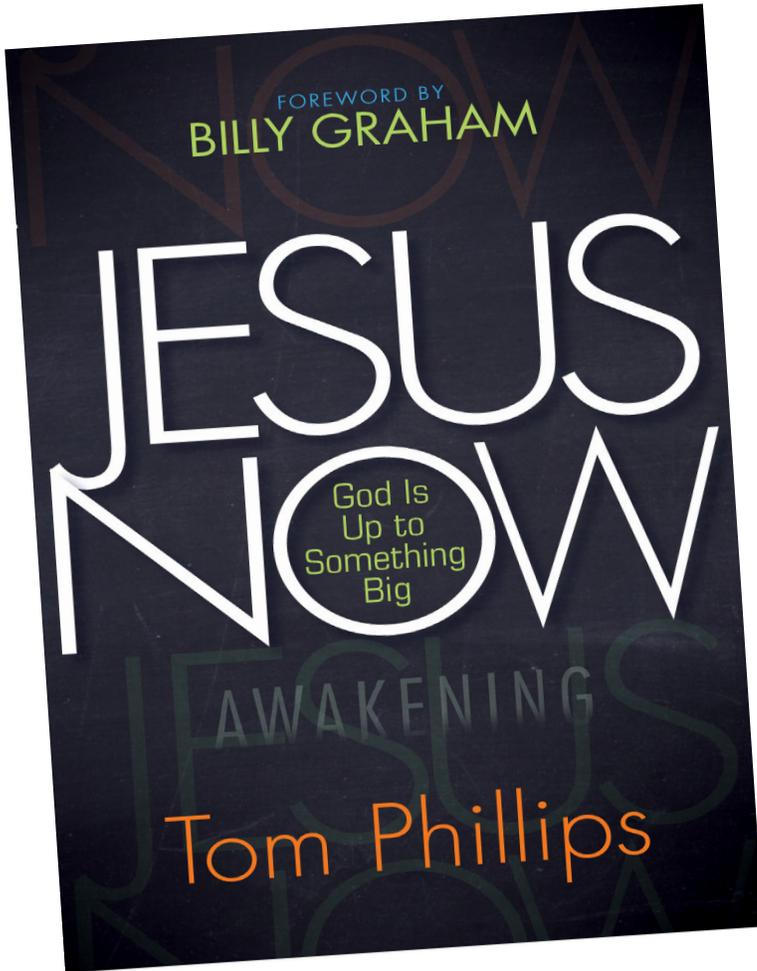

To understand the mind of God you must first understand his heart. The first book of the Head and Heart series looks at 5 Assumptions About God and Why They Are Wrong. When you trust that God loves you and wants what's best for you, then God's heart—including the hard teachings of Jesus and even the confusing parts of the Bible—becomes clear. How might this affect your understanding of God and your openness to follow him?

Put aside your preconceived ideas about God and listen to Jesus' own words as you explore what is in the mind and heart of God.

God is moving today!

God desires to draw all people to Himself. He is awakening the world through the reconciling love of Jesus and the power of the Holy Spirit. What if the Lord was already awakening you, your family, your church, your city? Are you willing to let His Spirit, without warning, sweep through your own life?

In *Jesus Now*, join Dr. Phillips as he explores:

- the themes and patterns of previous revivals that are becoming apparent today.
- the unpredictable, untamed purposefulness of God to draw His church to Himself through ordinary and anonymous Christians.
- how the power of prayer has found extraordinary new expression within Christians who have raised the name of Jesus above a denomination or ministry.
- human impediments to God-initiated and sustained spiritual awakening.
- ten principles to discern current revivals.
- how to seek and follow Jesus, who has promised to do far more than you could ever imagine or request!

God is up to something big. What is your place in His great awakening? Because of Jesus, our churches, nation, and lives will never be the same again.

*T.W.S. Hunt provides real help to those working their way through the winter he describes.*

—J.I. Packer, theologian and bestselling author of *Knowing God*

This 40-day devotional deals as much with God's absence as His presence, for it is about the spiritual season of winter—a time when the light of faith has dimmed and the warmth of love has cooled.

Written with a mystic's heart, a scholar's mind, and a poet's pen, *Winter with God* is a profound meditation on the opportunities and challenges we face when our relationship with God seems dormant, endangered, or simply one-sided.

Suitable for both longtime pilgrims and the newfound faithful (or faithless), this rich and compelling devotional about winter with God—a season through which every soul must pass—shows how the hardest season to experience can also be the most rewarding to endure.

Discover hope for your spirit and strength for your soul.

For many people, Christianity has become an institution of rules, duty, and potlucks. But for filmmaker Darren Wilson, his life of cultural Christianity changed radically when a powerful encounter with God led him to begin making films that attempted to display the God of the Bible in living color. What happened over the next ten years has affected millions around the world, and has set fires ablaze in hearts that have long sat dormant.

God Adventures is an honest and compelling book about the events surrounding the making of these powerful films (Finger of God, Furious Love, Father of Lights, Holy Ghost, and Holy Ghost Reborn), and is designed to take you into a deeper, more fulfilling and, yes, riskier relationship with God.

Like Darren's films, this book focuses on

- God's miraculous power and overpowering love.
- A Father desperately pursuing His children.
- The often misunderstood third Person of the Trinity and His relationship to the modern believer.
- God's dominance over other gods and supernatural powers.
- How the Holy Spirit wants to use everyone to bring change and healing to the world, not just professional ministers.

Christianity was never meant to be a social club—it was meant to change the world. God Adventures provides biblical insight for the supernatural occurrences documented in Darren's films, along with behind-the-scenes stories that will inspire, engage, and challenge you to not settle for less than experiencing all of God.

Everyone needs grace. For some it may be for a difficult marriage, or children that have wandered away. For others it may be their limitations and hardships. *Peter's* letters offer strengthening grace. There is an abundance of grace found within the verses of this book to set you free. You are an overcomer, and God's grace is our fuel to empower our hearts to soar.

John, the apostle of love, always points us back to the most important virtue of all: God's love. He teaches us that nothing can defeat the love of God and that only perfect love has the power to cast our fear from our hearts. To read John's letters is truly reading a tapestry of love, woven into our lives as we yield to God. Your mission, should you choose to accept it, is to carry this message of love into all of the world.

In only twenty-five verses Jude gives us a message that is desperately needed in this hour. We must beware of teachings which are false and harmful. Our eternal center must be Christ alone. Keeping ourselves in the love of God and holding fast to what we believe will insure our future is bright. Jude points us to the God of glory who will strengthen us in all things to remain faithful in days of increasing darkness.

Every emotion of the heart is reflected in the Psalms with words that express our deepest and strongest feelings. They provide comfort and joy, leading us to the place where worship flows. This poetry on fire is divided into five books, mirroring the five books of Moses that form the first books of the Old Testament. Together they convey the depth of our longing and fears, joys and celebration, becoming a mirror to the heart of God's people in our quest to experience God's presence.

Book One of the Psalms is the "Genesis Psalms," composed of poems and songs of man and creation. They explore the splendor of our world in all of its grandeur, the way of righteousness, and the glory and honor of mankind. You'll discover more of who our Creator is as our Best Friend, Good Shepherd, and Mighty One. There are songs of praise for God's goodness, and songs of lament for man's wickedness. These prayers reflect human frailty for healing and help, protection and provision, trouble and thanksgiving.

We've designed this study to help you explore these praises and prayers placed inside poems that spill out of a fiery, passionate heart. May this study of poetry on fire free you to become a passionate, sincere worshipper, and experience the heart of God anew in faith and worship.

Book Two is known as the "Exodus Psalms." Like the ancient Hebrew book itself, which chronicles Israel's deliverance out of oppression, these psalms lament our suffering and long for similar redemption. Many poems are cries to God for help; they ask him to wake up and do something about our trials and trouble! Others wonder if God has forgotten his people in the midst of their pain and problems. Still other psalms cry for revival and renewal, praying from a place of weariness and ache. Then there are the poems that praise God for his faithfulness, protection, and grace—leading to faith and trust.

Book Three of Psalms, called the "Leviticus Psalms," is similar to the others in that it's an anthology of poems, worshipping and petitioning the Lord. These, however, pivot around the themes of praise and God's house, and God's glory and grandeur. Some proclaim the glory of God's holy house, emphasizing how life-giving and joyful it is to celebrate the Lord there. Others exalt the name of the Lord, praising him for his justice, awe-inspiring power, wonderful works, mercy, and truth. Still others appeal to this God of justice and mercy for help overcoming injustice, comfort during distress, and rescue from trouble.

The "Numbers Psalms" is Book Four in this anthology of Hebrew poetry. It is composed of a series of praises and prayers for our pilgrimage on earth, giving voice to the highs and lows of our life-journey and drawing our attention to the sovereign Lord who reigns over it all. Throughout this collection, psalmists remind us of our Eternal God who is our safe and secure shelter, enthroned as God Most High. In response, we're called to praise his rule and celebrate his compassion. We're also invited to pray for help, knowing that he will listen and act because of his past faithfulness.

The "Deuteronomy Psalms," Book Five of the Hebrew poems, is the capstone to the poetry on fire. Beginning with extolling God's constant love and encouraging his people to declare God's goodness to the nations, these ancient poems celebrate God's Word and emphasize his praise. This book is anchored by the longest of the poems, Psalm 119. It draws our attention to the Word of God, celebrating it and lifting it high for all to follow. This collection also encourages everyone everywhere to shine with praise for God's goodness and mighty deeds. And even when they petition the Lord for help, worship is a breath away.

Guys, what's in your toolboxes? Most of us have hammers and screwdrivers for repairs along with tools for demo work. And power tools—because nothing brings greater happiness than making messes and generating lots of noise.

But did you know that God's fingerprints can be found in our toolboxes as well? We can uncover some amazing spiritual lessons tucked between our pliers and wrenches. Sometimes we act as if God's a million miles away when just the opposite is true. God glimpses are present in every aspect of our lives, we just have to look for them. Take a trip through the items in the toolbox with us and discover encouragement, inspiration, and a reminder that God is so close we can reach out and touch Him.

We don't know about you, but we want to be powered up and ready for God to use our lives. We want Him to build us into men of character. Join us as we look for God glimpses from the toolbox, won't you?

“How long, O Lord?” “When will you answer my prayer?”  
“Why must I wait so long for your promise to be fulfilled?”

We can all identify with those words for we all have unresolved issues that surface in our journey with Christ. In spite of what others will tell you, the Christian journey is not a life of endless bliss with a perfect marriage, perfect relationships, and a perfect financial portfolio. Perfection can only be found in Christ alone, for the world we live in is a fallen world. Even though life is sweet for the lovers of God, we all still face times of unexpected trials, unpredictable difficulties, and seemingly unsolvable problems. In a word, this is the wilderness.

Every child of God will have a wilderness experience, but not everyone has to have a wilderness wandering. The good news is you will make it through to the other side. *The Wilderness* will help you to understand God’s ways of bringing His sons and daughters from the wilderness to a miracle! You will find the place where miracles are born – God’s heart of love for His people!

Brian and Candice share with us some of the difficult seasons during their time as tribal missionaries in Central and South America. They encountered demonic powers, lost their possessions in a flooding river, and even experienced their daughter being bitten by a venomous snake. But the true story that unfolds in this book takes place in the many wilderness encounters that the people of Israel faced after leaving Egypt in the powerful miracle recorded in the book of Exodus. The backdrop of their stories give us insights into understanding our own stories – challenges of faith, delayed answers to prayer, and miraculous interventions that display God’s glory.

We were created with eternity in our hearts and we sense the immanent unknown extension of our existence. What does our Creator have to say about eternity?

This devotional is inspired by *Driven by Eternity: Making Your Life Count Today and Forever* by bestselling author John Bevere. In it he shares compelling principles on how to live with hope and assurance that will carry us through to eternity.

Often we give little thought to what will happen beyond the end of today. All believers will stand before Christ and receive what they have earned in life. Many of us will be shocked to learn that the majority of our time was spent on things that don't count toward eternal rewards.

How can you be ready for the day when you stand before Christ? This devotional will inspire and instruct you on how to maintain an eternal perspective. Learn to keep in sight the reward Christ has for those who follow him with all of their heart, mind, soul, and strength.

Andy Kemp's young life has been as ravaged as his scarred face. Disfigured by an abusive father, the teenager hides behind his books and an impenetrable wall of cynicism and anger.

As Andy's mother struggles to reconnect with him, his Uncle Rip returns transformed from a stint in prison and wants to be a mentor to the reclusive boy, doing everything he can to help end Andy's pain. When Andy begins hearing strange music through his iPod and making near-prophetic announcements, Rip is convinced that what Andy is hearing is the voice of God.

Elsewhere, police officer Heather Gerisch responds to a late-night breaking and entering in one of the poorest homes in town. She soon realizes that the masked prowler has left thousands of dollars in gift cards from a local grocery store.

As the bizarre break-ins continue and Heather pursues the elusive "Summer Santa," Andy and Rip discover an enormous and well-kept garden of wildflowers that seems to have grown overnight at an abandoned steel mill.

The identity of the gardener surprises them all — and a spree of miracles transfigures this small town from a place of hopelessness into a place of healing and beauty.
