WELL THAT'S PUNNY

I'm taking part in a stair climbing competition.

Guess I better step up my game.

My first job was working in an orange juice factory.

I got canned: couldn't concentrate.

A friend of mine tried to annoy me with bird puns...

but I soon realized that toucan play that game.

I used to be a banker...

but then I lost interest.

I'm reading a book about anti-gravity.

It's impossible to put down.

I'd tell you a chemistry joke...

but I know I wouldn't get a reaction.

I relish the fact that you've mustard
the strength to ketchup to me.

Without geometry...

life is pointless.

I went to a seafood disco last week...

and pulled a mussel.

She had a photographic memory...
but never developed it.

Don't spell part backwards.
It's a trap.

A boiled egg every morning...
is hard to beat.

Let's talk about rights and lefts.
You were right, so I left.

In the winter my dog wears his coat...
*but in the summer
he wears his coat and pants.*

A skunk fell in the river...
and stank to the bottom.

A new type of broom has come out.

It is sweeping the nation.

My friend asked me to stop impersonating a flamingo.

I had to put my foot down.

Someone ripped some pages out of both ends of my dictionary today.

It just goes from bad to worse.

I used to be a baker...

but I didn't make enough dough.

The first time I got a universal remote control I thought to myself...

"This changes everything."

I haven't slept for ten days.

That would be far too long.

I've just written a song about tortillas.

Actually, it's more of a rap.

A book just fell on my head.

I've only got my shelf to blame.

Someone threw cheese at me.

Real mature!

I love Switzerland.

*I'm not sure what the best thing
about it is, but their flag is a big plus.*

When I finally worked out the secret to cloning...

I was beside myself.

A pet store had a bird contest...

with no perches necessary.

I wondered why the ball kept getting bigger.

Then it hit me.

The other day a clown held the door open for me.

I thought it was a nice jester.

I asked my mom to make me a pair of pants.

*She was happy to.
Or at least sew it seams.*

I applied for a job at the local restaurant.

I'm still waiting.

I was going to look for my missing watch...

but I could never find the time.

I've been learning braille.

I'm sure I'll master it once I get a feel for it.

If a judge loves the sound of his own voice...

expect a long sentence.

I just walked past a shop that was giving out dead batteries...

free of charge.

I used to be addicted to soap...

but I'm clean now.

It was an emotional wedding.

Even the cake was in tiers.

Once you've seen one shopping center...

you've seen a mall.

The other day someone left a piece of
clay in my house.

I didn't know what to make of it.

I'd tell you my construction joke...

but I'm still working on it.

My grandma is having trouble with her
new stair lift.

It's driving her up the wall.

To the guy who invented zero:

Thanks for nothing.

There was a big paddle sale at the boat
store.

It was quite an oar deal.

I tried to finish the left-overs...

but... foiled again.

I really wanted camouflage socks...

but I couldn't find any.

I couldn't work out how to fasten my seatbelt.

Then it clicked.

Did you hear about those new reversible jackets?

I'm excited to see how they turn out.

I'm glad I know sign language.

It's pretty handy.

My dog can do magic tricks.

It's a labracadabrador.

Learning how to collect trash wasn't that hard.

I just picked it up as I went along.

My leaf blower doesn't work.

It sucks.

If you need help building an ark...

I Noah guy.

This boy said he was going to hit me
