Off My Rocker and On My Knees 52 Devotions for Devoted Grandmas

Beautifully-designed full-color interior wrapped with exquisite faux leather with heat debossing and foil stamping.

If grandmothers ran the world, our grandkids would always be within arms' reach—at least until we needed a little quiet time to relax and re-energize. But, life doesn't often work out that way. Even if we live right around the corner, our grown children—and their children — lead busy lives. “Grandma Time” may never be as long, or frequent, as our hearts wish it would be. Here's a way we can make the most of the time we have, together or apart, by drawing closer to God, as well as our grandkids.

These 52 devotions for devoted grandmas cover topics like worry, playing favorites, and how to keep from becoming a Nana Diva. They also include creative ideas on how to put our grandmotherly love into action. The perfect gift for a first-time grandma, or perhaps a well-deserved bit of encouragement for yourself, this devotional will inspire readers to get off their rockers and on their knees as they celebrate the unparalleled blessings that being a grandparent brings.

Swimming for Freedom Tera Bradham

Cover features soft-touch matte lamination with spot UV gloss.

Tera's is the ultimate comeback story of a young woman who persevered in faith through impossible odds to accomplish her dream.

—Josh Davis, three-time Olympic Gold Medalist

Tera Bradham was born to prove people wrong. The fastest swimmer her age in the United States by age ten, many believed “Tera the Terror” was destined for the Olympics.

Her fiercely competitive spirit and unmatched intensity knew no limits until Tera suffered a sudden, devastating shoulder injury that derailed her promising career. Although she trusted in God, she also wrestled with doubts of his goodness throughout subsequent years of misdiagnoses, chronic pain, and crippling disappointment. Her injury finally forced her to fully surrender to God.

Then her miracle came, or so she thought. Her shoulder was successfully reconstructed, and after two more years of grueling recovery, Tera found the courage to swim again and pursue her dreams with renewed faith.

Swimming for Freedom tells the story of Tera's unconventional comeback and shows that through God, all things are possible. What started as an Olympic dream ended in her true miracle: the freedom of a life in Christ. Tera's story will inspire you to rise up, dream again, and fight for his calling on your life.

- The foreword writer, Annie Grevers, is an NCAA champion, a former member of the U.S. National Swimming team, and the editor for Swimming World Magazine, the largest magazine dedicated to swimming that boasts a print circulation of 50,000.
- Tera was a national semifinalist for the John Wooden Citizenship Cup, given to one collegiate and one professional athlete each year based on character, community service, athletic performance, and academic performance (previous winners include Tim Tebow, Drew Brees, Mia Hamm, and Peyton Manning).
- Two of Tera's former coaches and anticipated endorsers include Steve Bultman, head coach of Texas A&M University, and Mike Koleber, owner of Nitro Swimming.

Called 2 Love The Uhlmann Story

A journey of self-discovery and joy-filled connection
Steve & Barbara Uhlmann

Cover features soft-touch matte lamination with spot UV gloss.

Steve's life was defined by plastic. An engineer at heart, he started an injection molding company that grew to more than 9,000 employees, with manufacturing plants around the world and a private jet to complete the package. Though Steve and Barbara thought they had it all, the demands of a successful business took their toll. When they retired in 2005, they were ready to enjoy their golden years with an exemplary marriage.

Then disaster struck.

In the aftermath of a severe panic attack, Barbara was diagnosed with cancer. For nearly two years, she was incapacitated. The strain of caring for her, in spite of appearances, exposed how shallow the Uhlmann relationship was. Their crisis drove them to levels of intimacy they could never have predicted.

In Called 2 Love: The Uhlmann Story, Steve and Barbara share the journey of self-discovery that helped turn their marriage into a joy-filled adventure of connection.

This heartfelt revelation will guide couples into healthy change that brings healing and true intimacy.
