The Home Design Doodle Book

Unleash Your Inner Designer

Mustard Seed Interiors LLC is a small business that was born out of a love for antiques, decorating on a budget, and giving old pieces of furniture new life. The initial expectation was to earn \$200/month to help with purchasing groceries and diapers. What started out as a one-woman-show decorative painting and mural business, evolved into an antiques business that tripped into a blog and blossomed into a entire brand. In 2012, Miss Mustard Seed's Milk Paint line was launched and is now carried in over 300 retail locations in the US, Canada, Europe, Australia, Dubai and Malaysia.

This Home Design Doodle book is intended to give you a push in the right direction for putting design ideas on paper. It's a hybrid sketch/decorating book with high quality paper and a pocket for storing some of your favorite ideas. Included are color inspiration pictures, home decorating tips, doodle and journal prompts, and blank sketch pages.

Express your creativity! You never know what might happen.
