JUAN - Amor eterno

JOHN - Eternal Love

Dr. Brian Simmons

Beautifully designed soft touch
matte lam cover with spot gloss

El Libro de Juan beckons us to encounter the heart of God through his beloved Son. The Word is not a collection of dead letters; it's the living expression of God—Jesus Christ. He came in flesh and blood as the perfect man and the living manifestation of God's glory. In these pages we meet this beautiful Christ.

This is also the gospel of believing. It reveals Jesus Christ as the Light of the World, the Savior, the King, the Bread of Life, the Good Shepherd, the Lamb of God, the Great I Am, and the true Anointed One. While Matthew, Mark, and Luke give us the history of Christ, John unveils the mystery of Christ. Through this gospel we experience in Jesus a kind forgiver, tender healer, and compassionate intercessor.

*"All you thirsty ones, come to me!
Come to me and drink! Believe in me,
so that rivers of living water will burst out
from within you; flowing from your innermost
being, just like the Scripture says!"
John 7:37-38*

¿Cuáles son las probabilidades?

Mike Lindell

...

What Are the Odds?

Far more than a business memoir, *What Are the Odds?* is a raw, authentic account by a man many thought would never rise above his serial, addiction-fueled failures. Mike's gripping narrative transports readers from his small-town tavern with its colorful cast of "Regulars" to Mexico and a drug deal gone awry. From Las Vegas casinos, where Mike won and lost fortunes as a professional gambler, to a jail-cell beatdown. From failed rehabs to his 20-year marriage, an ideal union decimated by addiction. And finally, to the redemption of the most shameful moment of his life.

An unvarnished account of the ravages of cocaine, crack, and gambling addiction, *What Are the Odds?* tells the improbable tale of how a small-town guy with a dream somehow made it a reality. More importantly, Mike opens up about the God who relentlessly chased him down, turning him from a casual believer to a passionate evangelist with an absolute, mathematical certainty that God is real.

What Are the Odds? will not only speak to entrepreneurs and those struggling with addiction, but also to anyone looking for a message of hope.

Mike Lindell's name has increasingly become synonymous with MyPillow. What started as a literal dream has now grown into a team of 1,500 people who manufacture 60,000 MyPillows each day. The journey was not an easy one. Everyone told Mike his invention would never work and that he would never be able to patent it, but he refused to give up. In *What Are the Odds?*, readers experience what it's like to succeed, fail, and succeed again—on an unprecedented level—by persevering in the face of every obstacle. "In this book, I wanted to use the experiences I've had to bring hope and inspiration to others," Mike says.

Song of Songs - The Divine Romance

Dr. Brian Simmons

Soft-touch matte lamination
with spot UV gloss

Breathtaking and beautiful, the sweetest Song of all ages unveils the Shulamite journey in the form of an anointed allegory. It becomes a journey that not only describes the divine parable penned by Solomon, but also a journey that longing lovers of Jesus will find as their very own. Love will always find a language to express itself.

The inspired Song of Songs is a work of art. It is a melody sung from the heart of Jesus Christ for His longing Bride. Its storyline is full of symbols and subtle art forms which, without interpretation, are often missed or overlooked. The Holy Spirit has hidden within the Song of Songs an amazing story of how Jesus makes His Bride beautiful and holy by casting out her fear with perfect love. This revelation sent from heaven is waiting to be received with all its intensity and power to unlock the deepest places of our hearts.

Let him smother me with kisses—
his Spirit-kiss divine.
So kind are your caresses, I drink them in
like the sweetest wine.
Song of Songs 1:2
